Pre-surgical COVID-19 testing instructions

Thank you for choosing HonorHealth. For the safety of all of our patients and staff, HonorHealth is requiring Coronavirus Testing (COVID-19 Testing) for all our patients prior to their procedure.

Important information on completing your test:

- Testing should be completed <u>1-3 days before your scheduled procedure time.</u> Please be advised that results may take a minimum of 24 hours to receive.
- <u>Negative COVID-19 tests are only good for 72-hours</u> and may need to be repeated if procedure gets rescheduled outside the 72-hour window.
- Patients that have received the <u>COVID-19 vaccine</u> still need a test prior to their procedure.
- Please be advised that HonorHealth only accepts specific COVID-19 testing completed outside the hospital within a certain timeframe. If you received a COVID-19 test that meets this criteria, you will need to provide a copy of your test result.

Important information to be completed before your test:

- All patients need to be registered to complete their test by our registration department. Our registration department will reach out to you a few days before your test to have this completed. Please be aware that certain phone companies may show our number as "restricted" or "blocked," but we will leave a voicemail. If you have not received a call to register for your testing visit, please call **623-300-9041.**

Important information for your day of testing:

- Please arrive at your appointment time. Lunch is taken from 12:00-12:45 daily. If you show up at this time there will be no one available to assist you. Those who arrive too early will be asked to return at their scheduled time as to not back up the drive-thru and those who arrive too late may have to reschedule. If you cannot make your appointment time please call us to reschedule
- Please bring your Photo I.D. and Insurance card with you.
- Our testing site is a Drive-thru so you will not need to exit your vehicle.

You're Testing location:

HonorHealth Osborn Medical Center location:
3634 N. Drinkwater Blvd.
Scottsdale, AZ 85251

Hours of operation:
Monday-Friday 5:30 a.m. -6:00 p.m.
Saturday & Sunday 6:00 a.m. – 6:00 p.m.

*Please see the attached location map for reference.

After your COVID-19 Screening:

- You will only receive a call from our RN if you are COVID-19 positive.
- If you have positive COVID-19 test, you can be scheduled for your procedure after isolation duration and symptom improvement/resolution requirements are met. Repeat COVID-19 testing within 90 days of a positive COVID-19 test is not recommended.
- We are asking our patients to self-isolate after having COVID-19 test.
- Please do not visit any public areas or visit with any family members and friends.
- Please do not make any trips to the grocery stores.
- If you must go into the public, please wear a mask and practice social distancing.

Please call the Pre-admission Testing Department (PAT) location in which you are scheduled for your procedure for any questions. Please be advised we have a high call volume and your message will be returned as soon as possible. Thank you and we look forward to caring for you.
