SPECIAL DIETS: If you are on a restricted or modified diet, the following will be helpful in making menu selections that are consistent with your physician's diet order.

If you are on a **diabetic (carbohydrate-controlled) diet**, please call your nurse after placing your meal request to have your blood glucose tested prior to the meal arrival. Carbohydrate values may vary slightly due to product availability.

♥️ Indicates food choices that are lower in fat and salt. Please choose these items if you are on a **heart healthy, low fat** or **low salt diet**.

R Indicates food choices that are available for patients on a **renal diet**. They are lower in salt and potassium. Milk/dairy products are allowed up to 4 oz. (1/2 cup) per day. Some fruits and vegetables may be limited or restricted.

🌱 Indicates food choices that are available for patients on a **vegetarian diet**.

🌱 Indicates food choices that are available for patients on a **vegan diet**.
