

## **CENTER FOR BREASTFEEDING SUPPORT**

HonorHealth's Center for Breastfeeding Support is your destination for clinical expertise, support and supplies for your breastfeeding needs.

Our goal is to enhance your breastfeeding experience through education, support and problem solving. Breastfeeding often comes with challenges. You may be concerned about whether your baby is latched onto the breast correctly or getting enough milk. Our experts can ease your uncertainty and help your baby feed more effectively.

We provide:

- International Board-Certified Lactation Consultants with advanced training in breastfeeding management
- Appointments available at Scottsdale Shea Medical Center and Scottsdale Osborn Medical Center

To make an appointment, call Scottsdale Shea Center for Breastfeeding Support at 480-323-3638 or Scottsdale Osborn Center for Breastfeeding Support at 480-583-2964.

### **Essential Touch Wellness Center & Boutique**

Essential Touch Wellness Center at Scottsdale Shea Medical Center has everything to help with nursing your newborn, all in one convenient location.

- Breast pump rentals: Rent a Medela Symphony hospital-grade breast pump for \$35 for eight days or \$80 for a month. A \$40 deposit is required via credit or debit card and will be credited to your account when the pump is returned in clean, good working condition.
- Medela "Pump in Style" personal pumps
- Hydrogels & Tendercare lanolin cream
- Hands-free breast pump bras

For more information call our Essential Touch Wellness Center at 480-323-3655.
