

ORTHOPEDIC PHYSICAL THERAPY RESIDENCY

Mission statement

The Orthopedic Physical Therapy Residency program is committed to advancing orthopedic specialization through focused mentoring, expert-level instruction, teaching and scholarship. We aim to graduate residents with advanced skills in orthopedic clinical practice to become leaders in the physical therapy field.

Why HonorHealth?

Here you'll find:

- ✓ Specialized faculty mentors
- ✓ Expert-level lectures and labs
- ✓ Diverse clinical experiences across multiple facilities
- ✓ Opportunities for interprofessional collaboration
- ✓ Leadership skill development
- ✓ 100% OCS first-time pass rate

Program details

- ✓ Residency runs from August 14, 2023 to August 9, 2024
- ✓ Full-time HonorHealth employment (benefit eligible)
- ✓ No tuition or program fees
- ✓ 150+ hours of one-on-one skilled mentorship with an orthopedic clinical specialist
- ✓ Over 20 expert-level lectures and labs instructed by orthopedic clinical specialists and manual therapy fellowship-trained clinicians
- ✓ Weekly lab-adjunct opportunities within local DPT programs
- ✓ Outside opportunities per resident interest

Location

7242 E. Osborn Rd., Suite 210
Scottsdale, AZ 85251
