SPECIAL DIETS

- If you are on a restricted or modified diet, the following will be helpful in making menu selections that are consistent with your physician’s diet order.
- If you are on a **diabetic (carbohydrate-controlled) diet**, please call your nurse after placing your meal request to have your blood glucose tested prior to the meal arrival. Carbohydrate values may vary slightly due to product availability.
- Indicates food choices that are lower in fat and salt. Please choose these items if you are on a **heart healthy, low fat or low salt diet**.
- Indicates food choices that are available for patients on a **renal diet**. They are lower in salt and potassium. Milk/dairy products are allowed up to 4 oz. (1/2 cup) per day. Some fruits and vegetables may be limited or restricted.
- Indicates food choices that are available for patients on a **vegetarian diet**.
- Indicates food choices that are available for patients on a **vegan diet**.
