

AETNA MEDICARE PRIME NETWORK CHANGES FOR 2026

Effective Jan. 1, 2026, Aetna has made the decision to remove HonorHealth providers from the Aetna Medicare Prime Network. All HonorHealth facilities will remain in-network.

What this means for patients

If you have an appointment or procedure scheduled prior to Jan. 1, 2026, you will have no changes to your appointment, and you will still be in-network for any services provided before this date. If you'd like to schedule an appointment on or after Jan. 1, 2026, you will be out-of-network with HonorHealth providers if you continue to utilize the Aetna Medicare Prime Network.

If you are impacted and would like to maintain your in-network access to HonorHealth's providers, you can switch to a new plan during the Medicare open enrollment period. Open enrollment runs from Oct. 15 to Dec. 7, 2025, for a Jan. 1, 2026 effective date.
