

# STAY ON TRACK TO A HEALTHIER RETIREMENT. SCHEDULE YOUR ANNUAL 403(b) CHECKUP!

It just makes sense.

As a healthcare professional, you know the value of having an annual physical — just to be sure that everything is on track for you to lead a healthy, productive and long life.

For something as important as your financial future, schedule a financial checkup of your HonorHealth Health Network 403(b) Plan.

## Benefits include:

- A generous **dollar-for-dollar company match on the first 4% of your contributions.**
- A wide variety of investment options, including a feature that can help provide a retirement income stream.\*
- Pre-tax contributions that reduce your current taxable income.

If you're not contributing at least 4%, consider saving more to take full advantage of the match. If you save less than 4%, you're leaving money behind!
