

Video Visits Now Available

Feeling sick? Help can be just a click away.

If you're a current patient of the **HonorHealth Medical Group**, primary care provider visits are now available via video. Scheduling an appointment is easy: just **log into MyChart** and **click on the "Schedule a Video Visit" button**.

Required criteria for a video visit are:

1. A current HonorHealth Medical Group patient
2. Have an active MyChart account.
3. Have a smartphone or a camera-enabled tablet or computer.

Only the following medical conditions suitable for a video visit:

- Back pain without neurologic symptoms such as numbness, tingling, leg weakness or loss of bowel/bladder control
- Cold/respiratory symptoms (cough, fever, congestion, sore throat, sinus pressure, ear pain)
- Urinary tract infection/associated symptoms (urinary frequency, burning, urgency)
- Allergies
- Chronic disease follow-up per provider's recommendation
 - High blood pressure (hypertension)
 - High cholesterol (hyperlipidemia)
 - Diabetes
 - Depression
 - ADD
- Pink eye
- Rash/dermatitis
- Heartburn/acid reflux

Payment is required at the time of appointment scheduling. Costs are:

- \$10 for employees and family members covered by the employee health plan.
- \$40 for all other patients.
