Save time and money

Let the doctor come to you. Whether you or someone in your family wakes up with the flu at 2:00 a.m. or you discover while on vacation that you forgot your medication, Stat Doctors brings you the convenience of anytime, anywhere care. If needed, we can even send prescriptions electronically to your pharmacy of choice.

Protect your health

Avoid exposure to other illnesses and cross contamination in Urgent Care Centers and Emergency Rooms.

It's easy to get started
