HonorHealth opens expansive outpatient medical facility in Peoria

Scottsdale, Ariz. (Nov. 23, 2016) - HonorHealth will open its second health center on Nov. 29, bringing together primary care physicians, subspecialists and other healthcare services in one convenient location. The new center is at 10230 W. Happy Valley Parkway, Peoria.

The HonorHealth Health Center, a $10 million, 25,000-square-foot project is home to six family medicine or internal medicine physicians and open seven days a week with extended hours. In addition to the primary care services, anyone who needs non-emergency, immediate care can get same-day care. Immediate care is less expensive than urgent care and much less expensive than an emergency room visit.

"We're expanding services and providing care where our customers live and work across the Valley," said Nathan Anspach, CEO of HonorHealth Medical Group. "Our health centers will feature hours and services designed with the community in mind. Our care will be focused on the needs of the patient and emphasize preventive services."

The Peoria location is the second of eight health centers that HonorHealth plans to open across the Valley. Services at this center will include:

- Primary, immediate and specialty care.
- Medical imaging.
- Laboratory services.
- Infusion services.
- Physical therapy and rehabilitation.

Primary and immediate care hours will be from 8 a.m. to 8 p.m. Monday through Friday.

About HonorHealth

HonorHealth is a non-profit health system serving an area of 1.6 million people in the greater Phoenix area. The company encompasses five acute-care hospitals, an extensive medical group, outpatient surgery centers, a cancer center, clinical research, medical education, a foundation and community services with approximately 11,500 employees, 3,700 affiliated physicians and 3,100 volunteers. HonorHealth was formed by a merger between Scottsdale Healthcare and John C. Lincoln Health Network. HonorHealth's mission is to improve the health and well-being of those we serve.
