

Car seat safety

Several resources can help you determine if your car seat has been recalled, how to properly install the car seat or where to find someone who's a certified car seat installer.

The websites below not only provide car seat information but also offer other safety information for your newborn/child:

- National Highway Traffic Safety Commission: www.nhtsa.gov
- American Academy of Pediatrics: www.aap.org
 - In the search box in the upper right corner, type "car seat safety."
- Safe Kids Worldwide: www.safekids.org
